Meet Cody McColl and Jayden Glassby

Jayden and Cody are being noticed in Kojonup and people are asking questions.

Both arrived independently in Kojonup in spring 2022 with their respective wives and families. Shannon is teaching at the High School and Katie is Director of our Childcare Centre.

Becoming instant friends they have multiple skills which they are putting to great use through their volunteering at Kodja Place, whilst

working on their own projects - C & M Images Media Group – Cody and Flex 4 x 4 Accessories – Jayden and jointly Making Tracks Adventures.

Cody is behind the Free Corporate Photo Shoot and Sausage Sizzle and they are the instigators of, and driving force behind Kojonup's first ever, and I believe the Great Sothern's first ever, 4WD and Camping Show. (See below)

Great Feedback

It is always brilliant to receive positive feedback from customers, which is what makes our work so rewarding. From Billy's rapport with customers of all ages to Kristel, Maria and Nat's local knowledge, humour and excellent customer service skills.

We had a lovely call from a lady this morning thanking Kodja Place for the support she received after a very distressing situation. Clearly shaken, after nearly been run off the road by an inconsiderate driver north of town, Kristel and our team went above and beyond. The grateful lady wanted to thank staff for the outstanding customer service she received, saying it was a credit to the friendliness and attitude of people in Kojonup and could not thank staff at Kodja Place enough for all their help and support.

Whilst on the subject of 'blowing our own trumpet'!

Some recent comments in our Visitor Book: 'Terrific, well done, great' 'Fantastic window of history and learning – wish there was more' and finally, although there are many, many others 'Absolutely amazing – by far one of the best displays ever'.

Come and check out Kodja Place and our visitor's book for yourself.
